Postponed: Caltrans Open Houses on the Vincent Thomas Bridge Deck Replacement Project

New dates are pending for the three meetings that will highlight the project's status and construction schedule

LOS ANGELES – The California Department of Transportation (Caltrans) announces the postponement of three community open houses for the Vincent Thomas Bridge Deck Replacement Project, originally scheduled for January and February. Focusing on the initiation of construction activities for the project, Caltrans will hold two of the rescheduled events in person, in the communities of Wilmington and San Pedro, while the third will be held virtually.

New dates for the meetings are pending and will be announced by press release, social media, and flyers distributed in the project area once finalized.

The following meeting dates and locations will be rescheduled:

- **Postponed: Thursday, Jan. 22 at 6 to 8 p.m.**
 - Wilmington Recreation Center, 325 North Neptune Avenue, Wilmington, CA 90744
- **Postponed: Monday, Feb. 2 at 6 to 8 p.m.**
 - Virtual meeting.
- **Postponed: Monday, Feb. 9 at 5:30 to 7:45 p.m.**
 - San Pedro Regional Branch Library, 931 South Gaffey Street, San Pedro, CA 90731

These meetings will support Caltrans' public outreach for the Vincent Thomas Bridge Deck Replacement Project. A critical infrastructure project totaling more than \$700 million, the deck replacement will require partial and full closures of the bridge over the next two years. More information is available at the [project website](#).

Skanska-CEC Joint Venture is the general contractor for the project.
